3 step success Model

Emotional Intelligence & Creativity while.....

**Planning without action is Futile;
Action without plan is fatal !**

Few Simple & Scientific techniques of implementing a plan/To do list:

✓ **Implementation Intention**

I will do 'X' on (Date) at (Time)

✓ **Habit Stacking & Diderot effect**

After (Current habit/routine work), I will do (Desired activity)

✓ **Two minute rule to stop Procrastinations**

THE 4 FOCUSES OF HISTORY-MAKERS

Ask Questions !

➤ Successful Professionals asked better questions, & as a result ,they got better Answers.

➤ Some see things as they are, and say “Why”? Lets reach the professional excellence by asking “Why not” ?

Thank you ! 😊
