

## The Institute of Chartered Accountants of India

### Western India Regional Council

Dear Chairman of the Branch/Convener of Study Circle,

WIRC, under the aegis of Women Members Empowerment Committee of ICAI, is hosting a Full Day National Women Conference at Mumbai around the theme “Women in Leadership Roles”.

Each one of us is a leader in one’s own field be, it leading a small team for audit, tax or consulting assignment or leading a practice – large or small - or leading business groups as Chief Finance Officer or Chief Accounts Officer or Chief Technology Officer or even as Chief Executive Officer.

The objective of the Conference is to discuss and deliberate about the roles and responsibilities of the leader and the challenges that the leadership role brings with it – is it any different for women? What should women be aware of and how should one position one’s self for the leadership role.

The participants will get an opportunity to interact with eminent leaders who have significant practical experience and exposure and understand as to how the key challenges are addressed by the leaders.

We, humbly request you to encourage Women members in your Branch/Study Circle to enroll for the conference.
